

REFUSED A BALLOT, KILLS 2, IS LYNCHED

Negro Not Allowed to Vote Opens
Fire on White Men With
Shotgun.

ORLANDO, Fla., Nov. 2.—A negro named Perry, who shot and killed two men at Ocoee after he had been refused a vote, was lynched early today outside the corporate limits of Orlando. He was hanged to a tree and his body riddled with bullets.

Election officials said Perry was refused a vote because he had not paid his poll tax. He returned to the voting place last night with a shotgun and opened fire on white men, killing two, one a veteran of the World War, and wounding several others, not seriously.

Perry was arrested and later was taken from the officers by a mob.

The Semi-Annual Sale of Tenne Millinery met with such overwhelming re-
sponse that the large collection of hats was not equal to the demand.

This second sale is for the benefit of those who were not fortunate enough to secure
their choice in the first sale but who have been counting on securing one of the hats in this
semi-annual event.

The manufacturer, in view of this emergency, consented to supply us with a second
group of models, equal in every respect to the first, but entirely new and fresh.
